## TO WHOM MAY IT CONCERN

Once again pursuant to the Ministry of the Economy Petroleum and Natural Gas Division, I am sending this *Notice of Intent for Seismic Operations*. We are conducting an annual Gophysics Field School for students. One of the components of the Geophysics Field School is a Scismic survey, conducted about 800m, 180 shots using 24g booster explosives at depth of 6m.

We require your approval, please review the attached *Notice of Intent for Seismic Operations* and the included map; also please sign it and acknowledge the inclusion of any conditions encircling the YES or NO respectively.

Please return the form to us with any additional list of conditions via e-mail to <a href="mailto:rag946@mail.usask.ca">rag946@mail.usask.ca</a> or by regular mail to:

University of Saskatchewan Department of Geological Sciences Attn: Rafael Gonzalez 114 Science Place Saskatoon, SK, S7N 5E2

Canada.

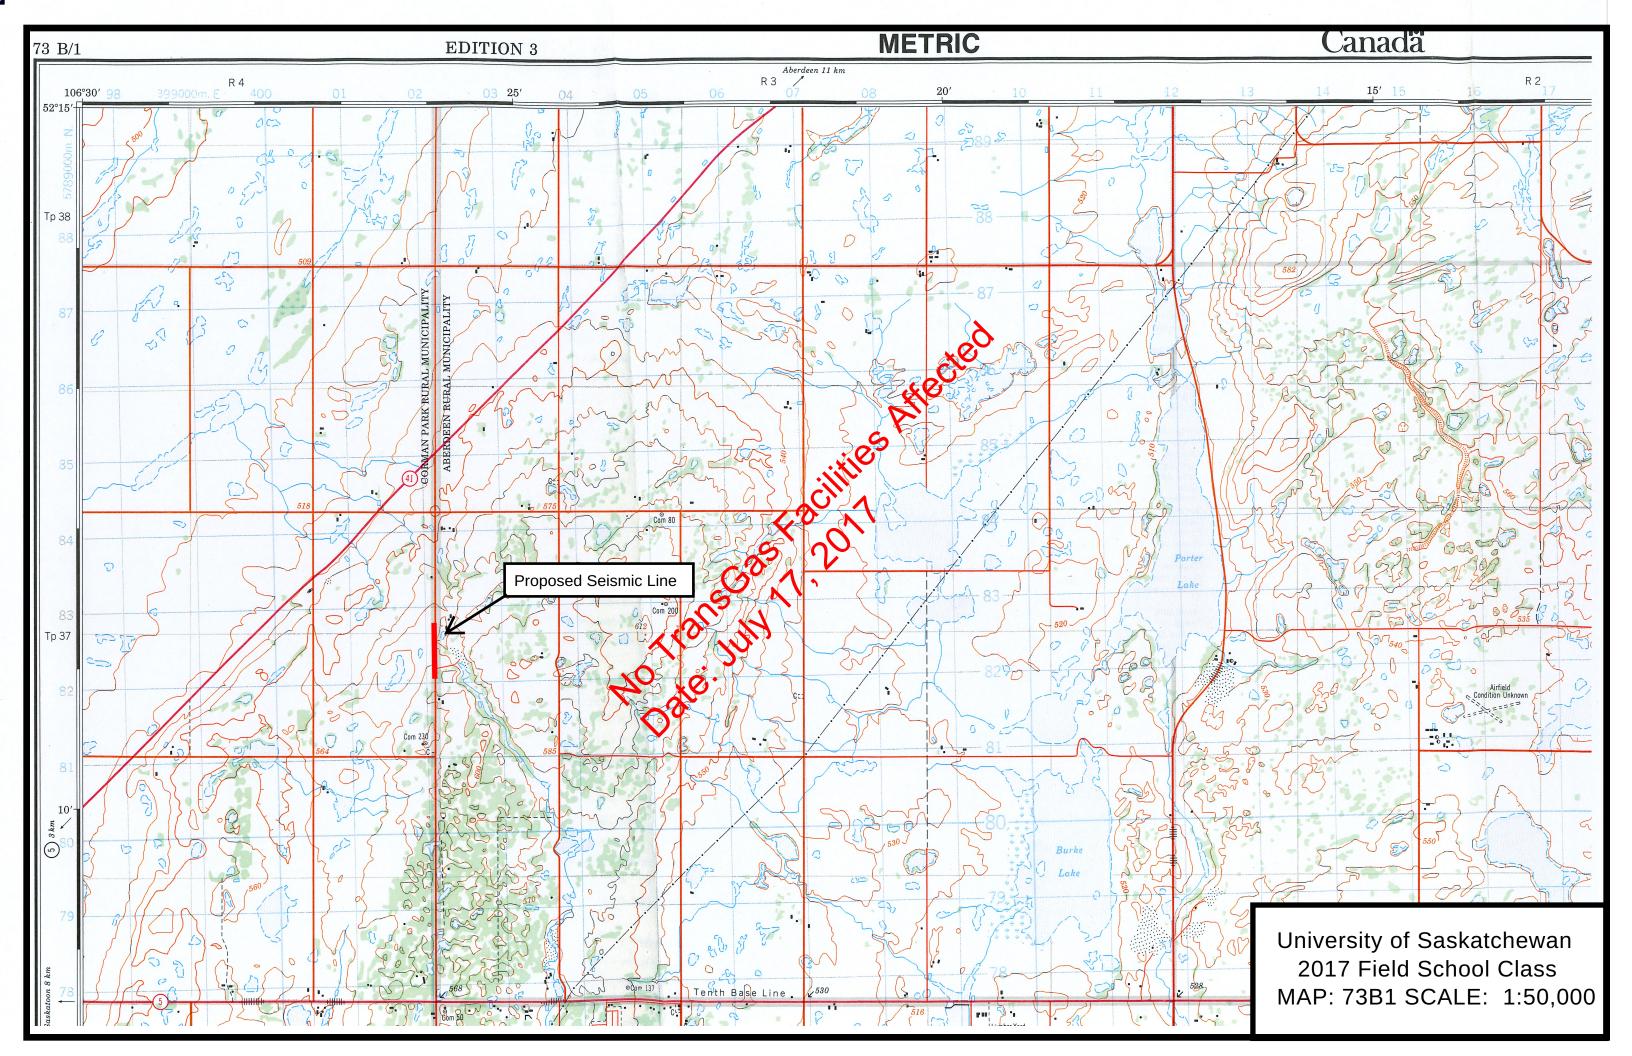

We thank you all for you efforts and assistance in making our education program run efficiently and effectively. Should you have any questions or concerns, please do not hesitate to contact me.

Yours truly,

Rafael Gonzalez
